

**District of Taylor  
2020 Utility Billing  
Extended Pre-Payment  
Discount Deadline**

District of Taylor Council are implementing an extended due date of November 30, 2020, for the early payment discount of residential water/sewer/garbage utility charges for the 2020 year. The early payment discount includes a 10% savings, or 30% savings for seniors.

Please note that payment in full is not required and incremental utility payments are accepted. As long as the utility payment is paid in full on or before November 30, 2020, the early payment discount will be applied.

People who need to pay their utility bill should contact the District by telephone at 250-789-3392. Please ask to speak with a member of our Financial Services Team and they will help you find the easiest way to complete the payment. At this time, recommended bill payment methods include:

- Visa or MasterCard payment (please call the Municipal Office and a District staff member will be happy to assist you)
- Online bill payment through any of the following financial institutions: North Peace Savings and Credit Union, Scotiabank, BMO Bank of Montreal, and TD Canada Trust
- Cheque payment
- Interac payment in person (please call the Municipal Office to make an appointment)

For additional information please contact:

Michael McPhail, Director of Financial Services
