District of Taylor Supports 'Be An Angel Month'

(TAYLOR, BC) – November 2020 has been proclaimed as 'Be an Angel Month' by District of Taylor Mayor and Council in recognition of Fort St. John Hospital Foundation's fundraising efforts. Mayor Rob Fraser and Council also recently donated \$7,500 to the Hospital Foundation's 'Be an Angel' Campaign.

The Fort St. John Hospital Foundation was established in 1994 and over the years they have continued to show dedication working with the community to raise and manage funds to enhance patient care and comfort at the Fort St. John Hospital and Peace Villa Residential Care Facility.

Residents of the District of Taylor rely on the Fort St. John Hospital for medical procedures, surgeries, emergency treatment and much more. The Fort St. John Hospital relies on the Foundation to provide much needed equipment that may not otherwise be available.

"The District of Taylor is happy to support the Fort St. John Hospital Foundation. From freezers to keep popsicles for kids to diagnostic imaging equipment, the Foundation supports our region and we are proud to support them."
