

Celebrate Earth Day!

Yard and Garden Trimmings Event

Help us celebrate Earth day by joining us for an event at the Yard and Garden Trimmings Pile on Wednesday April 18th!

Date: Wednesday, April 18th

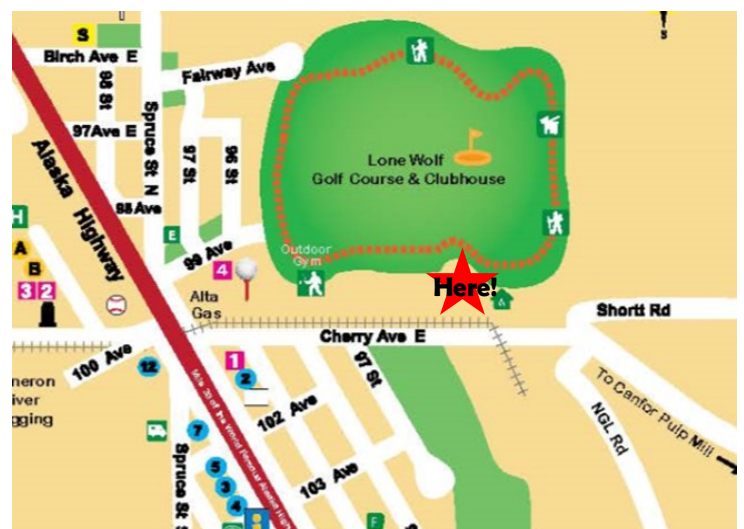

Time: 5:00—7:00 pm

Join the Community Services Department and the Northern Environmental Action Team (NEAT) on Wednesday April 18th from 5pm to 7pm at the Yard and Garden Trimmings Pile

We will be providing a slice of pizza and juice to all those who join us.

Plus learn about sustainability! If we don't use our facility properly - for example - dumping couches, dressers, televisions and cellphones, we will not be able to maintain the facility.

The Yard and Garden Trimmings pile is located at the back of the Lone Wolf Golf Course by the golf course maintenance shop and the Taylor Greenhouse. See you on Wednesday April 18th from 5-7pm!

Let's celebrate Earth Day because Earth day is every day!
